In simple language complemented by full-color illustrations of loving animal families, John Butler has crafted the perfect bedtime story for parents to share with young children. Each animal is depicted in its natural setting as, one by one, baby animals are gently put to bed by their mothers and fathers. From tiny birds and rabbits safely tucked into warm nests and underground burrows to bear cubs resting in their dens and young whales lulled in the deep blue sea, the noisy animal kingdom settles down for the night.
